## Helping seniors get more out of life!

Norwood Seniors Network offers a variety of Philips Lifeline® emergency response systems. The new GoSafe is designed to provide access to help at home and on the GO!

### **HomeSafe Standard**

Works within the home with a landline phone. Press a button to get emergency response call.

Choose necklace or bracelet style.

NO INSTALLATION FEE, NO CONTRACT

**\$32/month**

---

### **HomeSafe Auto Alert**

Necklace-only style that works within the home with a landline phone. Offers a smart button necklace that auto-detects falls.

NO INSTALLATION FEE, NO CONTRACT

**\$47/month**

---

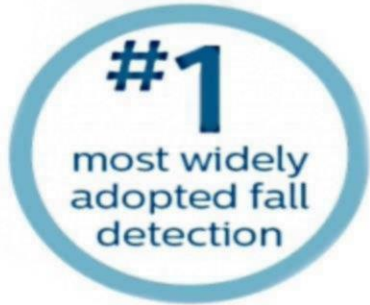

### **GoSafe Wireless Life Alert**

Wireless mobile help button technology works inside and outside the home with or without a landline phone. Great for people still on the go and works by using an AT&T wireless network. Pendant is a two-way necklace communicator, offering built-in GPS and motion sensing technology.

**\$55/month** (plus \$149 one-time fee for pendant)

# Norwood Seniors Network Emergency Response Systems

Enjoy more peace of mind starting today!

Getting older doesn't have to mean missing out. Norwood Seniors Network Lifeline® products let you continue to do everything you want to do and more.

Getting an emergency response system adds a feeling of security and confidence that if you fall or encounter an emergency, you will get quick access to help 24/7.

The new standard in personal emergency response services:

- > HomeSafe Standard
- > AutoAlert Fall Detection
- > New GOSafe Wireless Technology

Continue to live life - your way. Lifeline® does more than bring you greater peace of mind. It helps you maintain the lifestyle you love.
